

# SLINGSHOTS

*Helping teens hit their target.*

A golden robot with a human-like form is holding a glowing globe as a target. The robot is positioned to the right of the word 'SLINGSHOTS', with its arms extended towards the globe. The globe is bright yellow and orange, with a map of the world visible on its surface. The robot's body is a metallic gold color.

Merry Christmas and Happy New Year!

Hard to believe that it is 2015 already. I'm pretty sure it was just a couple years ago that we were celebrating 2000... guess not. Hope you all had wonderful holidays with family and friends. We are looking forward to a new and great year at Slingshots!

Thank you very much for your new and continued support to the ministry so that we can help teens hit their target! We also want to thank those of you who have upped your giving to the ministry. God is good and we pray that He will continue to provide.

We have continued to have between 20 and 35 students on any given afternoon. At least 200 teens have come through Slingshots on weekdays.

We also continue to have a good group on Thursday nights, Club Night. We are building great relationships with teens who come only on Thursday nights, and teens who have crossed over from the afternoon/evening to Club Night. Some teens are curious and that is a great thing! In December, we had a great concert, Bob shared his testimony, and he shared the whole story of David and why he named the center Slingshots. January is going to be another great month at Club Night!

Teens always want to help behind the snack shop or as we work in the rooms downstairs. These are great opportunities for relationship building and for some of them to get the service hours they need for school. Many great conversations have happened behind the snack shop.

The two middle rooms, which will be the fashion boutique and the computer room, have been cleaned out, cleaned up and are ready to be painted! Teens have also helped in getting this ready, plus some volunteers and Bob's hard work and guidance. Painting will begin next week.

We are open again on January 5th and start our Club Night back up on January 15th.

Please continue to pray for the ministry. Pray for the teens who come into Slingshots and for the volunteers who love and serve the teens. Pray that God will provide financially so that we can continue doing His work. Pray that God will reveal Himself to the teens and that they will want to know Him as their personal Savior. Pray that we will be able to disciple teens who do know Christ. Pray that we can make Jesus known and bigger in 2015!

Thank you again for your monthly support financially and for your prayer. You can always use the website instead of sending in a check if you would like. Also, we can get your info and set up your credit card to run monthly. If you are interested in that, give us an email or call and we can set that up for you.

God bless!

Serving Him together,

Bob Anderson

Director of Slingshots
